

## Bulletin

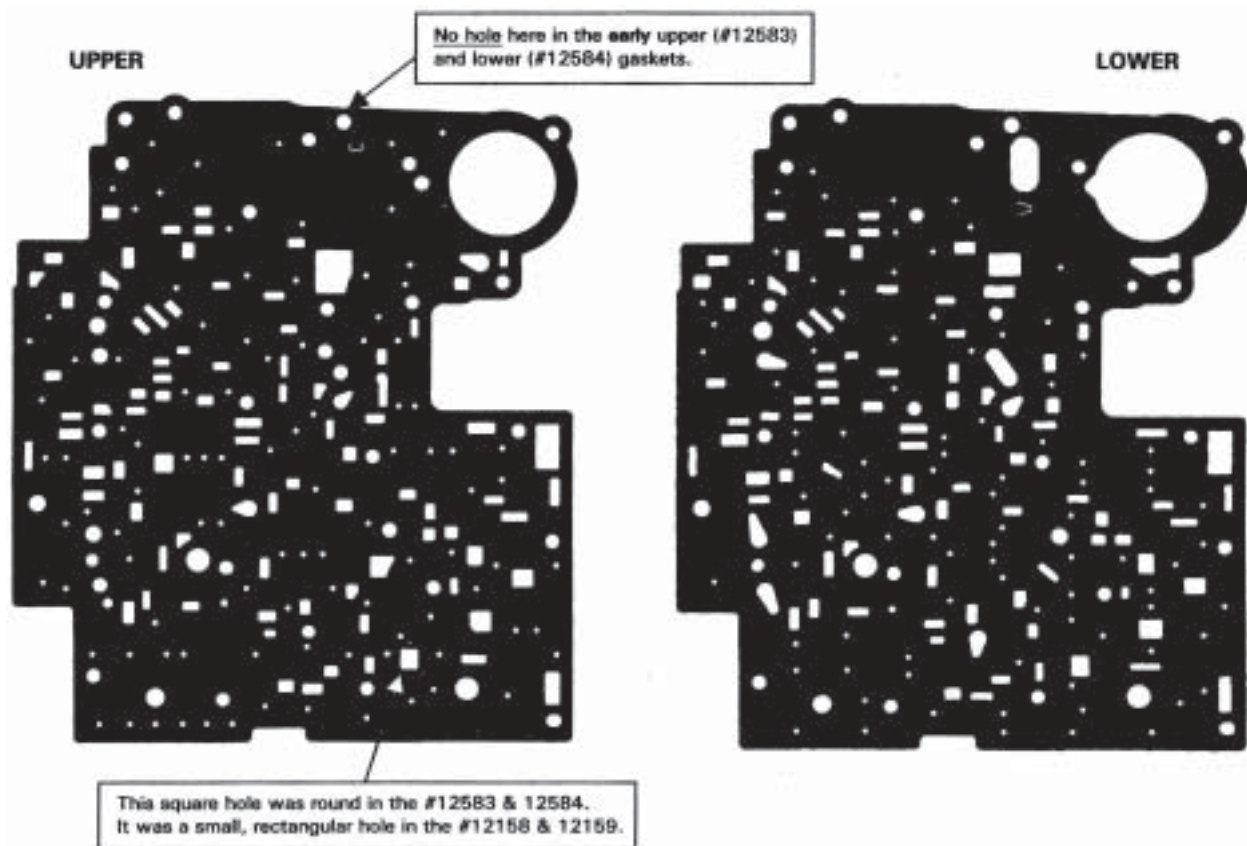

**Application:** GM 4L60E 1993-Up

**Subject:** Valve Body Gaskets

TransTec has engineered a set of combo valve body gaskets for the THM 4L60E. The new gaskets will fit from 1993 to 2001 and eliminate the possibility for confusion or using the wrong gasket. All gasket sets and overhaul kits with a date code of B02 and later contain only the new, **combo** valve body gaskets.

**Upper Gasket:** TransTec #12316 replaces: #12583 (OE #8681603) early, and #12158 (OE #24211921) late.

**Lower Gasket:** TransTec #12319 replaces: #12584 (OE #8681806) early, and #12159 (OE #24211920) late.
